

## CBPP Wood Hub Prices

Effective Date: 14-Dec-15

Cape Breton Privateland Partnership is a not-for-profit woodlot owner based organization that provides independent advice, support and services to woodlot owners on Cape Breton. Visit [www.CBWoodlots.org](http://www.CBWoodlots.org) for further information.

The immediate goal of the wood hub project is to provide increased market opportunities to woodlot owners and contractors. This will be achieved by providing education opportunities as well as aggregation and logistical support.

The long term goal is to attract value adding forest industries to Cape Breton by demonstrating that a consistent supply of product from the area can be achieved.
